- 1) Posters should be **mounted and removed by the presenters themselves** in time.
- 2) Each poster will be allocated a poster board that corresponds to the poster panel number.
- 3) Please attach your poster according to the poster panel numbers to the poster board set up in the Exhibition Hall (3F Sapphire Ballroom).

- The **poster title, author(s)'s name(s), affiliation(s) and Country** should appear on the top. The content should be clear and understandable without oral explanation.
- Make sure that the content of your poster matches the information you included in your abstract. It is what your audience expects.
- Posters should be **readable to viewers from 1 m away**. Lettering used on posters need to be large enough to be visible.
- For legibility, a **minimum font size of 28 points and a maximum of 600 words** are strongly recommended.
- **Clearly labeled schemes, formulae, graphs, diagrams and pictures** convey the meaning more readily than a closely-printed text.
- **Use appropriate and compatible colors** for fonts, backgrounds and graphics, and put appropriate blank space between words, sections, and figures. White backgrounds generally are best for text.
